# X Congress on **THORACIC ANESTHESIA**

**5-7 NOV. 2026** | Valencia - Spain

## **WELCOME (1/2)**

Dear Colleagues,

The X Congress on Anesthesiology and Reanimation in Thoracic Surgery, organized by the University General Hospital Consortium of Valencia, will be held from November 5 to 7, 2026 in Valencia, Spain.

A total of 59 speakers **with extensive clinical experience in thoracic anesthesia** will participate in this year's congress, with **53 Spanish and 6 international speakers from Europe and America**.

We have requested the endorsement of **SEDAR** (Spanish Society of Anesthesiology, Reanimation and Pain Therapeutics), **EACTAIC** (European Association of CardioThoracic Anesthesiologists and Intensive Care) as well as, as in previous congresses, the accreditation of the **Commission for Ongoing Education of the Valencian Region (EVES)** and the **Recognition of Health Interest for scientific events in the Valencian Region**.

We are currently immersed in preparing the **X Congress**, a very special anniversary that we will celebrate with a renew program on Anesthesiology and Reanimation in Thoracic Surgery, in which we will address some of the major challenges and opportunities that will shape the future of our specialty.

As an important new feature, this edition will begin with an opening lecture devoted to the impact of artificial intelligence on thoracic anesthesia, entitled "Artificial Intelligence in the Thoracic Anesthesia of the Future: Dream or Reality?" The growing development of artificial intelligence-based tools is opening new perspectives for clinical decision-making, perioperative medicine, advanced monitoring and patient safety, becoming one of the topics of greatest interest for anesthesiologists in the coming years.

Alongside this vision of the future, we have designed a program that we hope you will find particularly attractive, both because of its five theoretical sessions and its ten clinical simulation workshops. Throughout the congress, we will present new international guidelines and recommendations related to airway management, ventilation, acute and chronic pain, locoregional techniques and perioperative medicine, presented by national and international authors and experts who are actively participating in this edition.

The program of this X Congress constitutes **comprehensive training** that includes an intensive **clinical simulation activities with 6 workshops centred on the airway management to acquire skills in its basic and advanced management**. In addition, **2 ventilation workshops, 1 hemodynamic monitoring workshop and 1 workshop on the application of ultrasound to the examination of the airway, thorax and locoregional techniques** will be conducted.

Firstly, the **new European TOSSCA guidelines for the airway management in thoracic surgery (lung isolation and/or lung separation)** will be presented, as well as the best methods of **lung-protective ventilation and general clinical management in thoracic surgery**, which will be addressed by renowned national and international experts.

# X Congress on **THORACIC ANESTHESIA**

**5-7 NOV. 2026** | Valencia - Spain

## **WELCOME (2/2)**

Naturally, the **evolution of thoracic surgery from thoracotomy, through video-assisted thoracic surgery (VATS), to robotic thoracic surgery (RATS)**, an area in which the University General Hospital Consortium of Valencia (CHGUV) is one of the pioneering centres in Spain, will be analyzed.

On the other hand, the **Perioperative Medicine programs applied to thoracic surgery**, based on hemodynamic, respiratory and brain optimization, will be analyzed, using the latest monitoring techniques, aimed at the implementation of **ERAS/Prehabilitation in thoracic surgery**.

Finally, the problem of **acute and chronic pain after thoracic surgery** will be addressed, especially in the **era of minimally invasive surgery**, as well as the adaptation of **locoregional techniques to this type of surgery**, whose role continues to grow within current recovery protocols.

We trust that this tenth edition will once again become a forum for meeting, learning and exchanging experiences among professionals committed to excellence in patient care, innovation, the incorporation of new technologies and patient safety.

We look forward to welcoming you to Valencia!

### **Dr. Manuel Granell Gil**

Vice-Chair of the Cardiac, Vascular and Thoracic Anesthesia Section of SEDAR

Thoracic Representative of EACTAIC

Head of Section, Department of Anesthesiology, University General Hospital Consortium of Valencia (CHGUV)

Associate Professor of Anesthesiology, Faculty of Medicine, Universitat de València

# X Congress on **THORACIC ANESTHESIA**

**5-7 NOV. 2026** | Valencia - Spain

## **ORGANIZER**

Director:

**Prof. Dr. Manuel Granell**

University General Hospital Consortium of Valencia, Spain

Faculty of Medicine, University of Valencia, Spain

Section of Cardiac, Vascular and Thoracic Anesthesia (SEDAR)

Organized by:

**University General Hospital Consortium of Valencia, Spain**

**Anesthesia, Reanimation and Pain Therapy Department of the CHGUV**

**CHGUV Research Foundation**

**EACTAIC (European Association of Cardio Thoracic Anesthesiologists and Intensive Care)**

**Spanish Association of Anaesthesiology, Reanimation and Pain Therapeutics SEDAR (Cardiovascular and Thoracic Anesthesia Section)**

**University of València, Spain**

## **ACCREDITATION/ENDORSEMENT**

This year the event has requested:

- **SEDAR (Spanish Association of Anaesthesiology, Reanimation and Pain Therapeutics)**
- **EACTAIC (European Association of CardioThoracic Anesthesiologists and Intensive Care)**
- **Commission for Ongoing Education of the Valencian Region (EVES)**

# X Congress on **THORACIC ANESTHESIA**

**5-7 NOV. 2026** | Valencia - Spain

## **PRELIMINARY PROGRAM**

Thursday 5th November

15:30

Registration

16:00-16:30

**Opening conference: ARTIFICIAL INTELLIGENCE IN THE FUTURE OF THORACIC ANESTHESIA. DREAM OR REALITY**  
Dr. Edda Tschernko

16:30-18:30

**Session: CURRENT RECOMMENDATIONS FOR AIRWAY MANAGEMENT IN THORACIC SURGERY**  
Dr. Federico Piccioni

17:00 – 17:20 **General advantages of the video laryngoscope. Peculiarities in thoracic surgery**  
Dr. Alistair McNarry

17:20 – 17:40 **European Airway Guideline in Thoracic Surgery (TOSSCA)**  
Dr. Manuel Granell

17:40 – 18:00 **Lung isolation. Recommendations, types of bronchial blockers and peculiarities**  
Dr. Edmond Cohen

18:00 – 18:30 Discussion

18:30-19:00

Coffee break

19:00-20:30

**Session: NEW PARADIGMS IN VENTILATION**  
Dr. Tamás Végh

19:00 – 19:20 **Lung-protective ventilation in single-lung ventilation. New evidence**  
Dr. Mert Sentürk

19:20 – 19:40 **Flow-controlled ventilation (FVC)-EVONE. Applications in abdominal and thoracic robotic surgery**  
Dr. Javier Uriarte

19:40 – 20:00 **Personalized Medicine in Anaesthesiology: Advanced strategies for individualized optimization of ventilation and oxygenation**  
Dr. Javier García

20:00 – 20:30 Discussion

# X Congress on **THORACIC ANESTHESIA**

**5-7 NOV. 2026** | Valencia - Spain

## **PRELIMINARY PROGRAM**

Friday 6th November

09:00-10:00

**Session: AIRWAY MANAGEMENT. APPLICATION OF NEW GUIDES AND DEVICES**

Dr. Manuel Granell Gil

09:00-09:20 **New difficult airway guides. Appropriate techniques and devices**

Dr. Pedro Garrido

09:20-09:40 **Update in Supraglottic Devices**

Dr. Manuel Ángel Gómez Ríos

09:40 - 10:00 Discussion

10:15-11:45

**CLINICAL SIMULATION WORKSHOPS. Dr. Manuel Granell**

11:45-12:15

Coffee break

12:15-14:30

**CLINICAL SIMULATION WORKSHOPS. Dr. Manuel Granell**

14:30-16:00

Working lunch

16:00-17:30

**CLINICAL SIMULATION WORKSHOPS. Dr. Manuel Granell**

17:30-18:00

Coffee break

18:00-20:00

**CLINICAL SIMULATION WORKSHOPS. Dr. Manuel Granell**

**Workshop dynamics:**

*The workshops will be held simultaneously, allowing all participants to attend each workshop in groups of 10.*

*Each workshop will last 35 minutes and there will be a period of 10 minutes for each change of workshop.*

*At the time of collecting your credential, you will be assigned a colour that will correspond to the group and the shift that will be assigned to you for participation in these workshops.*

# X Congress on **THORACIC ANESTHESIA**

**5-7 NOV. 2026** | Valencia - Spain

## **PRELIMINARY PROGRAM**

**Saturday 7th November**

**09:00-11:00**

**Session: PERIOPERATIVE MEDICINE IN THORACIC SURGERY. STATE OF THE ART**  
Dr. Pilar Argente

09:00 – 09:20 **Prehabilitation/ERAS in Thoracic Surgery**  
Dr. Ignacio Garutti

09:20 – 09:40 **Minimally invasive hemodynamic monitoring in VATS/RATS**  
Dr. Fernando Ramasco

09:40 – 10:00 **Neuromonitoring during thoracic surgery**  
Dr. Rafael Badenes

10:00 – 10:20 **Perioperative approach in esophageal surgery**  
Dr. Yolanda Fernández

10:20 – 11:00 Discussion

**11:00-11:30**

Coffee break

**11:30-13:00**

**Session: ACUTE AND CHRONIC PAIN IN THORACIC SURGERY**  
Dr. Vicente Domingo

11:30-11:50 **How to adapt locoregional techniques to video-assisted (VATS) and/or robotic-assisted minimally invasive thoracic surgery (RATS)**  
Dr. Silvia González

11:50-12:10 **Chronic pain in the VATS/RATS era. An overlooked issue?**  
Dr. María Dolores López

12:10-12:30 **Applications of Ultrasound in Thoracic Surgery**  
Dr. Ana Broseta

12:30-13:00 Discussion

**13:00**

**CLOSING CEREMONY**

# X Congress on **THORACIC ANESTHESIA**

5-7 NOV. 2026 | Valencia - Spain

## CLINICAL SIMULATION WORKSHOPS

|                   |  |

# X Congress on **THORACIC ANESTHESIA**

**5-7 NOV. 2026** | Valencia - Spain

## **SPEAKERS**

### **Dr. Valentín Arana Lozano**

Staff Anesthesiologist, University Hospital of La Fe, Valencia

### **Prof. Dr. Pilar Argente Navarro**

Head of the Anesthesiology, Critical Care and Pain Management Department in the University Hospital of La Fe, Valencia | Clinical Associate Professor of Anesthesiology, Universitat de València

### **| First Vice-President of SEDAR**

### **Prof. Dr. Rafael Badenes Quiles**

Professor of Anesthesiology at the Universitat de València | Head of the Critical Care Department in Hospital Clinic Universitari Valencia

### **Dr. María Teresa Ballester Luján**

Staff Anesthesiologist, CHGUV, Valencia

### **Dr. Elena Biosca Pérez**

Staff Anesthesiologist, CHGUV, Valencia

### **Dr. Ana Broseta Lleó**

Staff Anesthesiologist, CHGUV, Valencia

### **Dr. Irene Casanova Montes**

Staff Anesthesiologist, CHGUV, Valencia

### **Dr. Raquel Casas Dapena**

Staff Anesthesiologist, Ramón y Cajal Hospital, Madrid

### **Dr. Enrique Casimiro Calabuig**

Staff Pneumologist, CHGUV, Valencia

### **Dr. Álvaro Cervera Puchades**

Staff Anesthesiologist, CHGUV, Valencia

### **Prof. Dr. Edmond Cohen**

Professor of Anesthesiology/Thoracic Surgery | Director of Thoracic Anesthesia at The Icahn School of Medicine at Mount Sinai, New York, USA

### **Dr. José Manuel Cordero Lorenzo**

President of the Spanish Association of Major Ambulatory Surgery (ASECMA) | Anesthesia Coordinator at Ginemed Clinic | Attending physician of the Anesthesia Service of the Virgen del Rocío Hospital, Seville

### **Dr. Vicente Domingo Triadó**

Head of the Anesthesiology Department of the Hospital Arnau de Vilanova, Valencia | President of the Valencian Society of Anesthesiology and Reanimation and Pain Therapy (SVARTD).

### **Dr. Francisco Escribá Alepuz**

Staff Anesthesiologist, University Hospital of La Fe, Valencia

### **Dr. Yolanda Fernández**

Staff Anesthesiologist, CHGUV, Valencia

### **Dr. Nicolás Ferrer Forteza-Rey**

Staff Anesthesiologist, CHGUV, Valencia

### **Dr. Alejandro Gallego Goyanes**

Children's thoracic anesthesia at Hospital UIP La Fe, Valencia

### **Dr. Lucia Gallego Ligorit**

Staff Anesthesiologist, Miguel Servet University Hospital, Zaragoza

### **Dr. Eva García del Olmo**

Staff Thoracic Surgeon, University General Hospital Consortium of Valencia (CHGUV), Valencia | Associate Professor of Thoracic Surgery, Universitat de València

### **Prof. Dr. Javier García Fernández**

Head of the Anesthesiology, Critical Care and Pain Management Department in Puerta de Hierro Hospital, Madrid | Associate Professor of Health Sciences, Department of Surgery, Complutense University of Madrid | President of SEDAR

### **Dr. Pedro Garrido Ortega**

Staff Anesthesiologist, Airway Coordinator, La Paz University Hospital, Madrid | Simulation Instructor for the Institute for Medical Simulation, Center for Medical Simulation and Harvard-MIT Division of Health Sciences and Technology, Virtual Hospital of Vadecilla, Santander

### **Prof. Dr. Ignacio Garutti Martínez**

Head of Section, Department of Anesthesiology,, Gregorio Marañón University General Hospital, Madrid | Associate Professor, Complutense University of Madrid, Pharmacology Department

### **Dr. Manuel Ángel Gómez Ríos**

Staff Anesthesiologist, University Hospital Complex of A Coruña

### **Dr. Carlos González Perrino**

Head of the Section of Anesthesiology, Hospital Clínico San Carlos, Madrid. Associate Professor of Anesthesiology, Universidad Complutense de Madrid

### **Dr. Ana González Román**

Head of the Cardiovascular and Thoracic Section, Anesthesiology and Critical Care Department, Puerto de Hierro University Hospital, Madrid

### **Dr. Silvia González Santos**

Head of Section, Department of Anesthesiology, Donostia University Hospital, San Sebastian

### **Prof. Dr. Manuel Granell Gil**

Thoracic Member of SEDAR and EACTAIC | Head of Section, Department of Anesthesiology, University General Hospital Consortium of Valencia | Staff Professor of Anesthesiology, Universitat de València

### **Dr. Antonio Guillén Bañuelos**

Head of the Anesthesiology, Critical Care and Pain Management Department in the University Clinical Hospital of Valencia

### **Dr. Javier Hernández Laforte**

Staff Anesthesiologist, CHGUV, Valencia

# X Congress on **THORACIC ANESTHESIA**

**5-7 NOV. 2026** | Valencia - Spain

## **SPEAKERS**

### **Dr. María José Jiménez Andújar**

Associate member in the Anesthesiology Department, Teknon Medical Centre | Member of the Thoracic Subcommittee of EACTAIC

### **Dr. Pablo Kot Baixauli**

Staff Anesthesiologist, CHGUV, Valencia.

### **Dr. María Dolores López**

Head of the Anesthesiology Service at CHGUV, Valencia

### **Dr. Ferrán Marqués Peiró**

Resident of Anesthesiology at CHGUV, Valencia

### **Dr. Ana Martín Martín**

Staff Anesthesiologist, CHGUV, Valencia

### **Dr. Ruth Martínez Plumed**

Staff Anesthesiologist, CHGUV, Valencia

### **Dr. Alistair McNarry**

Consultant Anesthetist at Western General and St John's Hospitals Edinburgh, UK | Honorary Senior Professor at the University of Edinburgh, Scotland, United Kingdom | President of the Difficult Airway Society (DAS)

### **Dr. Encarna Miñana Aragón**

Staff Anesthesiologist Reanimation and Pain Therapy at Hospital de la Ribera, Valencia

### **Dr. Javier Morales Sarabia**

Anesthesiology Coordinator at the Quirón Clinic, Valencia

### **Dr. Miriam Natsuki Oishi Konari**

Associate Professor of Health Care. University of Valencia | Otorhinolaryngology Specialist, CHGUV, Valencia

### **Dr. María José Parra González**

Head of Section, Department of Anesthesiology,, University Clinical Hospital of Valencia

### **Dr. Enrique Pastor Martínez**

Head of Section, Department of Thoracic Surgery, University General Hospital Consortium of Valencia (CHGUV), Valencia | Associate Professor of Thoracic Surgery, Universitat de València

### **Dr. Raquel Peris Montalt**

Staff Anesthesiologist, La Ribera Hospital, Alzira

### **Prof. Dr. Federico Piccioni**

Associate Professor at the School of Anesthesia and Intensive Care at the University of Milan, Italy | Head of Anesthesia Unit 1. Department of Anesthesia and Intensive Care, Humanitas Research Hospital - IRCCS, Rozzano (Milan), Italy

| Member of the Thoracic Subcommittee of EACTAIC | Sub-Chair of the Thoracic Subcommittee of EACTAIC

### **Prof. Dr. Jaume Puig Bernabeu**

Associate Assistant Professor of Anesthesiology at University of Valencia | Staff Anesthesiologist, CHGUV, Valencia.

### **Dr. Fernando Ramasco**

Head of the Anaesthesia Service at H.U. de La Princesa, Madrid | Vice-President of the SEDAR Intensive Care Section

### **Dr. Pablo Rodríguez Gimillo**

Staff Anesthesiologist, CHGUV, Valencia

### **Dr. Lucas Rovira**

Staff Anesthesiologist, CHGUV, Valencia

### **Dr. Juan Ramón Ruiz Carbonell**

Staff Anesthesiologist, CHGUV, Valencia

### **Dr. Fernando Sánchez García**

Staff Anesthesiologist, La Ribera Hospital, Alzira

### **Dr. Rosa Sanchis Martín**

Staff Anesthesiologist, CHGUV, Valencia

### **Prof. Dr. Mert Sentürk**

Tenured Professor of the Department of Anesthesiology at Acibadem University Faculty of Medicine, Istanbul, Turkey | Head of the Department of Anesthesiology, Acibadem Atasehir Hastanesi Hospital, Istanbul |

Former President of the EACTAIC Thoracic Subcommittee

### **Dr. José Tatay Vívó**

Staff Anesthesiologist, CHGUV, Valencia

### **Dr. Fernando Tornero Ibáñez**

Staff Anesthesiologist, CHGUV, Valencia

### **Dr. Edda Tschernko**

Head of Anesthesia and Cardiothoracic and Vascular Critical Care Division, University of Medicine of Vienna (MedUni Wien), Vienna General Hospital (AKH Wien), Vienna, Austria

### **Dr. Javier Uriarte**

Specialist physician in General Surgery

### **Prof. Dr. Tamás Végh**

Assistant professor, University of Debrecen | Department of Anesthesiology and Intensive Care, University of Debrecen, Hungary|

Chair of the EACTAIC Thoracic Subcommittee

| Member of the Thoracic Subcommittee of EACTAIC

### **Dr. Marc Vives Santacana**

Staff of the Department of Anesthesiology and Intensive Care of the Clínica Universidad de Navarra | Spanish representative of ESAIC.

### **Dr. Enrique Zapater Latorre**

Tenured Professor of ENT, Universitat de València (Dept. Surgery) | Head of the ENT Department of the CHGUV, Valencia

# X Congress on **THORACIC ANESTHESIA**
